III. ORDER DESCRIPTION

Order Description

A License for the Assembly of TAM Digital Remote Control System

License Requirements:

Digital Remote Control System of an Italian manufacturer TAM is used for the operation of hook lifts made by the same manufacturer. This system automatically makes all the

calculations and suggests solutions; moreover it must allow for a safe operation of the device in 2 different modes:

- manual mode with sequences: a steering block is coupled with sensors fitted along the hydraulic system as a safety device against operator's mistakes;
- manual mode without sequences: a steering block shuts off the sensors' control fitted along the system allowing to carry out the operation without its correctness verification made by an operator.

The program must allow for various types of truck vehicles and gear boxes.

The Ordering Party requests the offer presentation regarding the above-stated license, including technical data, as shown above, or their equivalent.

IV. THE PLACE AND DEADLINE OF ORDER FULFILLMENT

1. The Ordering Party is interested in the order fulfillment deadline falling on **20 August 2009**.
Address: 55-090 Mirków, Byków 82, Gmina Długoleka

V. OFFER SUBMISSION DEADLINE

1. The offer in either *Polish* or *English* shall be submitted until 8 July 2009 by 3 p.m. via electronic mail to the following address: Iga.kolbuc@hewea.com.
2. Any DELAYED offers will not be considered.

VI. THE ASSESSMENT AND SELECTION OF THE BEST OFFER

1. We kindly request you to submit a complete offer including:
 - technical specifications, including the expected or the equivalent technical data,
 - terms and conditions of the license sale, including the date,
 - terms and conditions of payment.
2. In case of submitting the offer by more than one Contractor, the Ordering Party shall make an assessment of the valid offers based on the following criteria:

- offer price - 95 %
- fulfillment deadline - 5 %

3. The Ordering Party will assess the offers based on the number of points gained (max. 100 points) calculated according to the above criteria.

4. The offers will be considered on **10 July 2009** in the HEWEA Centrum Techniki Cargo sp. z o.o. Head Office at 55-090 Mirków, Byków 82, Gmina Długoleka

5. The results of the Bidding Contest will be published on www.hwea.com

6. If a company whose offer has been chosen declines to sign a contract, the Ordering Party reserves the right to choose the most suitable offer of the remaining ones.
